

**Data driven decision making  
in medical research**

2 – 5 June 2019

 **2019 PSI Conference**  
QEII Centre, London

**SAVE THE DATE**

We are pleased to invite you to the 2019 PSI Conference which will be held in **London on 2 - 5 June 2019**. The theme of the conference will be '**Data Driven Decision Making in Medical Research**', so save the date and join us next year at the **QEII Centre in London!**

Sessions will include early phase innovative trial design, industry best practice - 10 years on, statistical issues in safety drug labelling, model based dose finding designs, an update from Transcelerate and much more, with speakers from industry, academia and regulatory agencies.

**REGISTRATION COUNTDOWN - ONE MONTH TO GO**

Registration for the 2019 PSI Conference will open at the beginning of November... So keep an eye out in order to receive the Early Bird discount! [More information on registration fees.](#)

**SPOTLIGHT ON: Abstract Submission is Open**

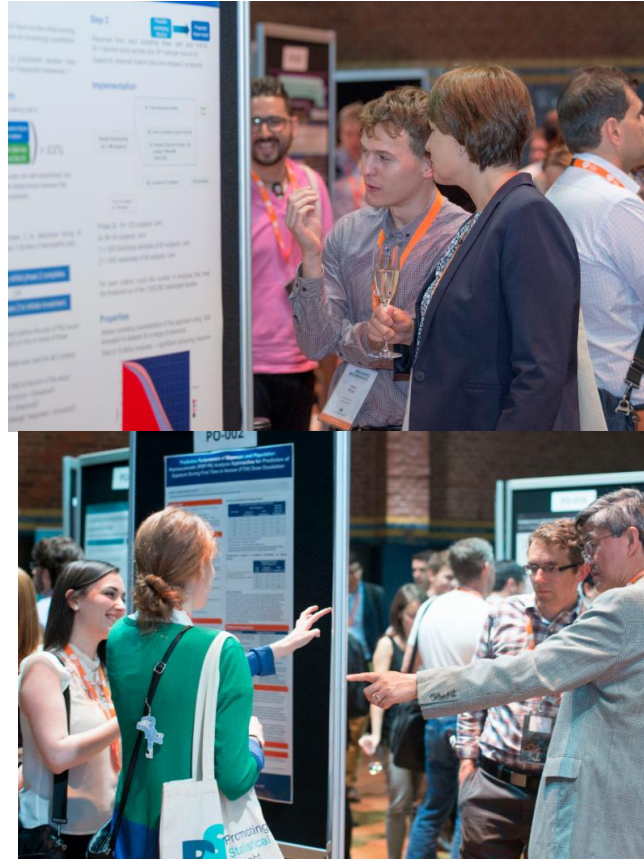

We are excited to announce that abstract submissions for the 2019 PSI Conference is now open!

Please note that the deadline to submit an abstract for Oral Presentation is **Friday 23rd November 2018**. Anyone selected for an oral presentation will receive a 10% discount on the three day conference registration fee.

We welcome abstracts on any subject but would be particularly interested in the following topics:

- Data Science and its applications in medical research
- Examples in the area of statistics in manufacturing

- Bayesian topics within early or late phase
- Causal inference
- Future trends
- Pre-clinical statistics
- Decision making
- Remote data monitoring
- Therapeutic area specific topics
- R in industry or software related
- Case studies involving innovative or complex designs/methodology
- Patient Reported Outcomes and patient-centric data

**SUBMIT YOUR ABSTRACT**

**JOIN US IN LONDON**

The 2019 PSI Conference will be held in the **Queen Elizabeth II Centre**, located in the heart of Westminster. Situated in the centre of London, it offers a fantastic base to explore the city along with excellent transport links. [Learn more about the Conference location.](#)
