For each of these published Pharmaceutical Statistics papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

Papers available to view from 20th October to 17th November on <http://www.psiweb.org/journalclub> and presentation slides will be available there from Fri 22nd October to download before the TC. Journal subscribers can access papers at any time. Podcasts will be available shortly after the TC to download from the above website.

Open to both PSI and non-PSI members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together.
