For each of these published papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

Papers available to view from 29th March to 26th April on <http://www.psiweb.org/journalclub> and presentation slides are available there now to download before the TC. Journal subscribers can access papers at any time. Podcasts will be available shortly after the TC to download from the above website.

Open to PSI and non-PSI members and DIA and non-DIA members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialing in from the same site, we encourage you to book a meeting room and dial in together as the number of lines will be capped for this call.
