Volume 10, Issue 1, pages 70–73 January/February 2011

### **The potential for bias in reporting of industry-sponsored clinical trials**

Authors: Stephen Pyke, Steven A. Julious, Simon Day, Michael O'Kelly, Susan Todd, James Matcham and Jorgen Seldrup  
Volume 10, Issue 1, pages 74–79 January/February 2011

For these published Pharmaceutical Statistics papers there will be a presentation/discussion from the presenters, covering all three papers followed by 20-25 min audience participation/discussion.

Papers available to view from 6<sup>th</sup> December to 3<sup>rd</sup> January on <http://www.psiweb.org/journalclub> and presentation slides will be available there from 8<sup>th</sup> December to download before the TC. Journal subscribers can access papers at any time. Podcasts will be available shortly after the TC to download from the above website.

Open to PSI and non-PSI members – no need to pre-register. We encourage you to read these papers in advance so you get the most from this event. Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together. For further info/feedback, please contact [journalclub@psiweb.org](mailto:journalclub@psiweb.org)
