or [Click here to Join](#) and have the meeting call you (simply remove the 0 in front of your local number example 207 for London)  
If a PC is not available, please refer to the link on <http://www.psiweb.org/journalclub> for a list of telephone numbers from other countries

**Steven Julious, Medical Statistics Group, University of Sheffield**

**Investigating the assumption of homogeneity of treatment effects in clinical studies with application to meta-analysis**

Co-author: Anne Whitehead

Volume 11, Issue 1, Pages 49-56, January/February 2012

**Christy Chuang-Stein, Pfizer**

**Reporting cumulative proportion of subjects with an adverse event based on data from multiple studies**

Co-author: Mohan Beltangady

Volume 10, Issue 1, Pages 3-7, January/February 2011

For each of these published Pharmaceutical Statistics papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

Papers available to view from 11<sup>th</sup> April to 9<sup>th</sup> May on <http://www.psiweb.org/journalclub> and presentation slides will be available there from 13<sup>th</sup> April to download before the TC. Journal subscribers can access papers at any time. Podcasts will be available shortly after the TC to download from the above website.

Open to PSI and non-PSI members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together.
