Please refer to the link on <http://www.psiweb.org/journalclub> for a list of telephone numbers from other countries and further details

CHAIR: TBC

SPEAKERS: Harry Southworth (AstraZeneca) and Janet Heffernan (J. Heffernan Consulting)

Extreme value modelling of laboratory safety data from clinical studies

Authors: Harry Southworth and Janet E. Heffernan;

Volume 11, Issue 5, Pages 361–366, September/October 2012

Multivariate extreme value modelling of laboratory safety data from clinical studies

Authors: Harry Southworth and Janet E. Heffernan;

Volume 11, Issue 5, Pages 367–372, September/October 2012

For both of these published Pharmaceutical Statistics papers the authors will present their work in a 55 min presentation followed by 20-25 min discussion.

Papers available to view from 5th December 2013 to 2nd January 2014 on <http://www.psiweb.org/journalclub> and presentation slides will be available there from 9th December to download before the JC. Journal subscribers can access papers at any time. Podcasts will be available shortly after the JC to download from the above website.

Open to PSI and non-PSI members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together.

For further info/feedback, or if you would like to submit a question to the authors in advance of the meeting please contact journalclub@psiweb.org
